(1) As disclosed in its prospectus dated 10 September 2020 at the time of its initial public offering, alongside its ordinary shares, THG PLC also has in issue D1, D2, E, F and G shares (the "Alphabet Shares"). The Alphabet Shares are incentive arrangements which are considered by THG PLC as akin to share option arrangements. Further to a discussion between THG PLC and the Panel on Takeovers and Mergers (the "Panel"), the Panel has consented to the Alphabet Shares not being treated as relevant securities for the purpose of disclosures required to be made under Rule 8 of the Code during the offer period, save that holders of the Alphabet Shares who hold over 1% of the ordinary shares in THG PLC will be required to disclose under Rule 8 of the Code in the usual way. It is anticipated that if an offer for THG PLC's voting ordinary shares were to be made by way of a scheme of arrangement, none of the Alphabet Shares would

form a separate class for the purposes of that scheme. Instead, THG PLC would expect that appropriate proposals would be made in respect of those Alphabet Shares under Rule 15 of the Code.

Details of any open stock-settled derivative positions (including traded options), or agreements to purchase or sell relevant securities, should be given on a Supplemental Form 8 (Open Positions).

Details of any securities borrowing and lending positions or financial collateral arrangements should be disclosed on a Supplemental Form 8 (SBL).
